It gives me great pleasure to welcome you all on the occasion of the Fifty-seventh Convocation of the International Institute for Population Sciences (IIPS), Mumbai. The Institute has completed 59 years of its glorious existence and I am happy to report the activities of the International Institute for Population Sciences, for the academic year 2014-2015.

The Institute attained Deemed University status in 1985. As a Deemed University, the Institute started awarding its own Ph. D. degree since 1986. So far the Institute has awarded Ph.D. degrees to 247 students including 11 foreign students. This year 11 students are receiving their Ph.D. degrees. From the academic year 1988-89, the Institute started a one-year degree course leading to the Master of Population Studies (MPS) and so far the Institute has awarded the MPS degree to 542 students. Since 1994-95, the MPS course has also been introduced through distance learning, keeping in view the increasing demand for training in the field of Population Studies. So far, 335 students have been awarded MPS degree through distance learning. From the academic year 2001-2002, the Institute has started a degree course in Master of Philosophy (M. Phil.) in Population Studies. So far 322 students have been awarded the M. Phil. degree in Population Studies.

The Institute, since its inception in 1956, was conducting a one-year certificate programme, Certificate in Population Studies (CPS), for trainees from various countries in Asia and the Pacific

region. The course was funded initially by the UNESCAP and later on by the UNFPA. Over the years, through this course the Institute has helped in the training of personnel from various countries of Asia and the Pacific region, and our alumni currently occupy key positions in the field of population, health and development in government departments and universities in these countries and in international organisations. From the academic year 1991-92 this programme was re-designated as Diploma in Population Studies (DPS). So far 1204 students from 42 countries around the world have received CPS/DPS certificate/diploma from this Institute. Two tables given in Appendix I furnish country-wise and year-wise number of students who have so far participated in the different teaching programmes of the Institute. From the academic year 2006-07, the Institute has extended its Diploma in Population Studies (DPS) programme through distance learning.

The one-year Diploma course in Health Education (DHE), started in August 1987 was renamed during the academic year 2001-2002 as Diploma in Health Promotion Education (DHPE). So far 533 students have been awarded Diploma in Health Promotion Education, including 28 foreign students. In this convocation 18 students will be receiving their diploma in DHPE. From the academic year 2006-07, the Institute has initiated a new programme, Post Graduate Diploma in Community Healthcare (PGDCH). This course is of fifteen months duration.
