THE SIXTY-FIRST CONVOCATION

10th May, 2019

It gives me immense pleasure to welcome you all on the occasion of the Sixty-first Convocation of the International Institute for Population Sciences (IIPS), Mumbai. The Institute has completed 63 years of its glorious existence and I am happy to report the activities of the Institute for 2018-19 academic year.

Since its inception in 1956, IIPS was conducting a one-year certificate programme i.e., Certificate in Population Studies (CPS), for trainees from various countries in Asia and the Pacific region. The programme was funded initially by the UNESCAP and later on by the UNFPA. Over the years, through this course the Institute has helped in training of personnel from various countries of Asia and the Pacific region, and our alumni occupy key positions in the field of population, health and development in government departments and universities in these countries and also in international organizations. From the academic year 1991-92 this programme was re-designated as Diploma in Population Studies (DPS). List of students who had completed the different teaching programmes of the Institute is presented in Appendix I, shown by country and year. From the academic year 2006-07, the Institute has extended its Diploma in Population Studies (DPS) programme through distance learning.

IIPS became a Deemed University in August 1985. As a Deemed University, the Institute started awarding its own Ph. D. degree in Population Studies since 1986.
