FIFTY-SIXTH CONVOCATION

26 May, 2014

It gives me great pleasure to welcome you all on the occasion of the fifty-sixth convocation of the International Institute for Population Sciences (IIPS), Mumbai. The Institute has completed 58 years of its glorious existence and I am happy to report the activities of the International Institute for Population Sciences for the academic year 2013-2014.

The Institute attained Deemed University status in 1985. As a Deemed University, the Institute started awarding its own Ph. D. degree since 1986. So far the Institute has awarded Ph.D. degrees to 236 students including 11 foreign students. This year 12 students are receiving their Ph.D. degrees. From the academic year 1988-89, the Institute started a one-year degree course leading to the Master of Population Studies (MPS) and so far the Institute has awarded the MPS degree to 505 students. Since 1994-95, the MPS course has also been introduced through distance learning, keeping in view of the increasing demand for training in the field of Population Studies. So far 318 students have been awarded MPS degree through distance learning. From the academic year 2001-2002, the Institute has started a degree course in Master of Philosophy (M. Phil.) in Population Studies. So far 287 students have been awarded the M. Phil. degree in Population Studies.

The Institute since its inception in 1956, was conducting a one-year certificate programme, Certificate in Population Studies (CPS), for trainees

from various countries in Asia and the Pacific region. The course was funded initially by the UNESCAP and later on by the UNFPA. Over the years, through this course the Institute has helped in the training of personnel from various countries of Asia and the Pacific region and our alumni currently occupy key positions in the field of population, health and development in government departments and universities in these countries and in international organisations. From the academic year 1991-92 this programme was re-designated as Diploma in Population Studies (DPS). So far 1173 students from 42 countries around the world have received CPS/DPS certificate/diploma from this Institute. Two tables given in Appendix I furnish country-wise and year-wise number of students who have so far participated in the different teaching programmes of the Institute. From the academic year 2006-07, the Institute has extended its Diploma in Population Studies (DPS) programme through distance learning.

The one-year Diploma course in Health Education (DHE), started from August 1987 was renamed during the academic year 2001-2002 as Diploma in Health Promotion Education (DHPE). So far 499 students have been awarded Diploma in Health Promotion Education, including 28 foreign students. In this convocation 18 students will be receiving their diploma in DHPE. From the academic year 2006-07, the Institute has initiated a new programme, Post Graduate Diploma in Community Healthcare (PGDCH). This course is of fifteen

months duration. The courses, viz., DHPE and PGDCH are conducted by the Family Welfare Training and Research Centre (FWTRC), Mumbai which is affiliated to IIPS. From the academic year 2009-2010, the Institute has introduced a new programme, MA / M.Sc. in Population Studies (2 years course). The current academic year 2013-2014, the institute has introduced another master degree in Biostatistics and Epidemiology (M.Sc.) programme.

ACTIVITIES OF THE INSTITUTE DURING THE ACADEMIC YEAR 2013-2014

The functions of the IIPS can be classified under four categories: teaching, research, consultative services and documentation. The institute has seven academic departments with well qualified faculty members (Appendix -X).

I TEACHING PROGRAMME

I. Regular courses

During the year 2013-14, the Institute offered the following regular courses: (a) Diploma in Health Promotion Education (DHPE), (b) Master of Arts / Science in Population Studies (MA/M.Sc.), (c) M.Sc. in Biostatistics and epidemiology (d) Master of Population Studies (MPS), (e) Master of Philosophy in Population Studies (M.Phil.) and (f) Doctor of Philosophy in Population Studies (Ph.D.). Apart from these programmes, the Institute also offers Master of Population Studies (MPS) and Diploma in Population Studies (DPS) through distance learning.

The lists of students who are receiving degrees/

diplomas in this convocation are given in Appen- II.

a. Diploma in Health Promotion Education (DHPE)

This course is of one-year duration. During the current academic year, 18 students were on the roll in the course of Diploma in Health Promotion Education. The Family Welfare Training and Research Centre (FWTRC), Mumbai, conducts the course under the auspices of IIPS.

Dr. Sumita Ghosh is the coordinator for the DHPE programme.

b. Master of Arts / Science in Population Studies (MA / M.Sc.)

The Institute has introduced MA/M.Sc. in Population Studies from the academic year 2009-10 for the graduate students who desire to specialize in population studies. This academic year 40 students have been admitted for this two year programme with Govt. of India fellowship. The list of students receiving MA/MSc degree for this academic year is given in Appendix-II-2.

Prof. S. K. Mohanty and Dr. Manas R. Pradhan are the coordinators for the MA/M.Sc. programme.

c. Masters in Biostatistics and Epidemiology (M.Sc.)

This academic year institute introduced a new course of two year duration- Masters in Biostatistics and epidemiology (M.Sc.). Eight students are presently undergoing the programme.

Dr. Abhishek Singh, Dr. L.K. Dwivedi and Dr. Sarang Padgaonkar are the coordinators for the M.Sc. programme.

d. Master of Population Studies (MPS)

Holders of a Master's Degree from recognized universities in relevant social science subjects including statistics and mathematics are eligible for admission to this course. During the current academic year, 42 students were admitted to MPS programme. All are recipients of Government of India fellowship.

Prof. P. K. Murthy and Dr. Dhananjay Bansod are the coordinators for the MPS programme.

e. Master of Philosophy (M. Phil) in Population Studies

The third batch of one year M. Phil programme will pass out this year. 32 students will be receiving M. Phil. degree this year. The list of students receiving degree in this convocation are presented in Appendix-II-4

Prof. T.V. Sekher and Dr. Dipti Govil are the Co-coordinators of M. Phil Programme.

f. Doctor of Philosophy in Population Studies (Ph. D.)

The Institute has well qualified faculty members to guide students who are admitted to the Ph. D. programme on a highly competitive basis. First, they are short-listed based on their academic record. After a written test on Research Methodology, followed by a personal interview, students are admitted to the Ph.D. programme.

Currently 128 students are registered for the Ph. D programme at the Institute at different levels. This

academic year, 11 students have completed all the requirements for the award of Ph. D degree. Four students presented their synopsis and 6 students have submitted the thesis. 25 students are recipients of the Government of India Research Fellowship, 75 students are recipients of the UGC Fellowship, 1 student is recipient of Rajiv Gandhi National Fellowship, 1 student is recipient of Moulana Azad National Fellowship and 12 students are registered without fellowship, (Appendix IV Table B).

Appendix III (Table 5) provides the list of Ph.D. students who will be receiving degree in this convocation.

Prof. P. Arokiasamy is the coordinator for the Ph. D. programme.

II. DISTANCE LEARNING COURSESES

In addition to the above regular courses, IIPS delivers some of the courses through distance learning mode. We are happy to inform that our institute has been recognized by the Distance Education Council for offering MPS and DPS through distance learning.

g. Master of Population Studies (Distance Learning)

This course is of two years duration, although students have the flexibility of completing it in a maximum period of four years. In view of the increasing demand, the MPS Distance Learning Programme is also open to students from other ESCAP countries. Currently 566 students are enrolled for this programme. During the year 2013-

14, nineteen students have completed all the requirements for the award of MPS degree (Distance Learning). It is mandatory for the students of Distance Learning to prepare a research paper. Appendix III (Table F) provides the titles of the research papers prepared by the MPS - Distance learning students.

Prof. Balram Paswan is the coordinator for the MPS (Distance learning) programme.

h. Diploma in Population Studies (DPS) (Distance Learning)

In view of the increasing demand, this is a new initiative from the academic year 2006-07. This course is of minimum one year duration, although students have the flexibility of completing it in a maximum period of three years. Currently 143 students, including three foreign students, are enrolled for this programme. This academic year, 3 students have completed all requirements for the award of DPS (Distance learning).

Prof. Balram Paswan is the coordinator for the DPS (Distance Learning) programme.

SEMINAR PAPERS

Towards the end of the second semester, as a part of MA/M.Sc/ MPS/ M. Phil. regular course, each student is required to prepare a research paper (for MPS programme) / a dissertation (for MA/M.Sc/ M.Phil. programmes) under the guidance of a faculty member. The students have to present the paper in a specially organised 'Student-Faculty Seminar'. It is mandatory for all the students to

attend the student-faculty seminar. The presented papers /dissertations are later finalised on the basis of discussions in the seminars. The seminar paper/dissertation constitutes a crucial part of the teaching programme, as it contributes significantly to the development of the research potential of the students. Appendix III (Tables A, B, C & D) provides the list of seminar papers/dissertation presented by the students during the current academic year (2013-14).

AWARDS / MEDALS

A student from MPS programme, whose overall performance is adjudged to be the best, is awarded the Dr. C. Chandrasekaran Gold Medal.

A student each from DHPE and PGDCH programmes, whose overall performance adjudged to be the best, are awarded the IIPS Gold Medal.

A student, whose overall performance is adjudged to be the best in the MPS (Distance Learning) programme, is awarded the Dr. K. Srinivasan Gold Medal.

A student, whose overall performance is adjudged to be the best in the DPS (Distance Learning) programme is awarded the IIPS Gold Medal.

A student whose overall performance is adjudged to be the best in the M. Phil programme is awarded IIPS gold medal. The student adjudged as the second best will receive IIPS silver medal.

A student whose M. Phil/Ph.D thesis, adjudged to be the best, is awarded the Dr. P.N. Mari Bhat Award. This award has been instituted in memory of the late Prof. P.N. Mari Bhat by his parents.

A student whose overall performance is adjudged to be the best in the MA / M.Sc. programme is awarded the Prof. Asha A. Bhende Gold Medal. This medal has been instituted in memory of the late Prof. Asha A. Bhende by the Institute of Health Management, Pachod (IHMP).

A student from MPS programme, whose seminar paper, rated as the best, is awarded the Dr. J.R. Rele award. This award is based on the Seminar paper's content and the student's presentation and defence skill, while presenting the paper at the 'IIPS Student – Faculty Seminar'.

Silver medals (IIPS) are awarded to students whose overall performance is ranked as the second best, in the respective programmes – MA / M.Sc., MPS, DHPE, DPS and MPS (Distance Learning) and M.Phil. programme.

SHORT - TERM PROGRAMMES

In addition to the above, the Institute conducts short-term training courses on request. The Centre of Short Term Training Programme takes care of the visitors from various academic and research organizations, who regularly visit IIPS as part of their academic curriculum. The following group of student visited the institute during the academic year.

1. Holy Spirit Institute of Nursing Education, Andheri (E), Mumbai
2. Dept. of Community Medicine Armed Forces medical college, Pune

IIPS- Kusuma Foundation Research Fellowship

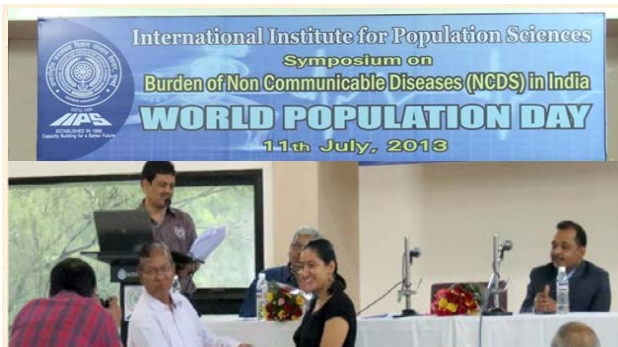

International Institute for Population Sciences (IIPS), in partnership with The Kusuma Trust (UK) and The Kusuma Foundation (India) launched a three year research fellowship programme to promote research in education in India. The main objective of the programme is to train and impart research skills to young professionals and faculty working in NGOs and colleges who have the potential, but not the opportunity, to conduct research on education issues of national importance. The fellowship should also enable the fellows to disseminate their findings at national and international forums. The research fellowship will provide selected candidates with high-level research skills, including knowledge of statistics, qualitative research and data analysis.

The first batch of the project has been initiated in August, 2013, with five fellows. The two training workshops (Modules 1 and 2) of the project have been successfully completed during August, 2013 – February, 2014. Programme Coordinators: Prof. H. Lhungdim and Prof. K. C. Das

1. WORLD POPULATION DAY

Observance of "World Population Day" on 11th July every year is one of the important activities of the Institute. This year it was observed at the Institute by organizing a half day symposium on "Burden of NCDs in India" was organized at IIPS, Mumbai. Prof F. Dr. Sayeed Unisa visited South Korea during 26-31 Aug 2013 to attend and present a research paper the IUSSP international population conference.

VIII. IIPS STUDENTS

The Institute encourages students to prepare and submit research papers for various conferences/ seminars and publications. The knowledge/skill imparted to students is reflected through their publications, conference paper presentations, and the increasing demand for our students from various national and international organizations.

a. Student publications

The list of publication of students, either alone or jointly with the faculty, is given in Appendix VII.

b. Conference papers/ Workshop attended

The list of conference papers prepared and presented by students is given in Appendix VII. The list of participation in workshop and training programme is also given.

IX STUDENT – FACULTY SEMINARS/GUEST LECTURE

The Institute regularly conducts seminars in which the faculty, students and other research staff participate. Distinguished speakers are invited to give lecture in the seminars. The seminars provide a forum for academic debate and exchange of innovative research ideas in social science research. The speakers usually give a talk related to their on-going project work or on topics of special interest.

X. OTHER ACTIVITIES HELD AT THE INSTITUTE

a. Foundation Day

In 2013, the Institute celebrated the Founder's Day on 16th August at the Institute premises.

The celebration was started with the welcome speech by Prof. B. Paswan, the Cultural Co-ordinator and was inaugurated by Prof. F. Ram, the Director of IIPS.

The celebration was followed through a number of cultural events. The students, IIPS staff and their children participated in different cultural events. The joint coordination of Prof. B. Paswan, the Cultural Co-ordinator, Mr. S.N. Zore and Mr. R. B. Lakhan, the Assistant Cultural Co-ordinators and Ms. Arpita Paul, the student Cultural Secretary made the celebration successful.

The International Institute for Population Sciences Library has a good collection of resources taking into consideration the course contents and research needs of the Institute. It holds about 82457 books, 15395 bound volumes of periodicals, 16,674 Reprints and 550 audio-visual materials and subscribes to over 200 journals supplemented

with online access, more than 125 journals received in the library by the way of gift and exchange. More than 25000 research articles from the core journals and edited books have been indexed and made available through OPAC. The library has the collection on population studies and relevant subjects like religion, psychology, sociology, statistics, economics, public administration, education, mathematics, anthropology, public health, geography etc. The library provides a host of information services to its users, like Current Awareness, New Additions, Selective Dissemination of Information, Online Public Access Catalogue (OPAC), Document Delivery Service, Photocopy facilities, Reference Service, Bibliographic service, metadata interpolation and so on.

The IIPS Library is fully computerized system. Library serves to the faculty, students, research scholars and institutional members. The library has a special collection of Census of India volumes of 1982-1941 digitized in PDF which provides full text access on the campus. The library provides access to the several databases like JSTOR, SCIEDIRECT (social science collection), SCOPUS, and INDIASTAT. The library also subscribes selected journals of Springer, Sage, Wiley, Taylor & Francis, Cambridge etc. through online mode. The library is accessible through www.iipsindia.org for all.

Mr. D.D. Mestri is In-Charge of the library.

XII. INFORMATION, COMMUNICATION AND TECHNOLOGY UNIT

The ICT Unit of the institute, that was till recently known as the Computer and Data Centre, is well

equipped with the IBM BladeCenter server, latest Core i3 and higher generation computers and statistical software required for data analysis. There are a total 260 desktop computers in the Institute. The Unit has one main classroom/lab room with 48 computers with three LCD projectors, another small classroom/lab with capacity of 16 computers. Computer classes for MPS, MA/MSc, M.Sc. in Biostatistics & Epidemiology, M. Phil and short term courses are held in these labs.

All the computers are configured with 1Gbps Bandwidth Capacity link for internet access and connected by Local Area Network and WiFi connectivity. The ICT Unit is also providing the internal email facility to faculty and staff at the institute. Wireless internet facilities have been established and made available to the students in the hostels and library. Internet and computer facility to students and faculty on campus are provided 24X7 by ICT Unit.

The software packages installed are IBM SPSS Version 20, STATA Version 13, GIS Version 10, ML Win, Atlas Ti, Spectrum, Mortpak, and Endnote. The ICT Unit has network attached unified storage server with 10TB capacity that stores demographic and census data. The data sets of Census of India (1991, 2001, 2011), National Family Health Survey (I, II, III), District Level Household and facility Survey (I, II, III), Demographic Health Survey (DHS) of selected countries, National Sample Survey (NSS), Global Adult Tobacco Survey (GATS), Youth Study, Longitudinal Aging Study in India (LASI) and Study on Global Aging and Adult Health (SAGE) are available to researchers at the Institute. Data sets are also provided to researchers from outside.

ICT unit is maintaining IIPS website. ICT unit is in the process of making website bilingual (English-Hindi). Steps have been initiated to start eGovernance in the institute to cover the functioning of the various departments of the institute including Accounts and Administration.

Prof. Sayeed Unisa is In-charge of the ICT Unit.

XIII. PUBLICATION UNIT

IIPS publications unit brings out Newsletters, Research Briefs and Working papers regularly.

a. IIPS Newsletter

The Institute brings out Newsletters, which publish information about various ongoing activities of the Institute. Two issues of IIPS Newsletters covering four numbers were printed every academic year.

Prof. T.V. Sekher and Dr. Manoj Alagarajan are the Editors of IIPS Newsletter.

b. IIPS Research Brief Series

The 'Research Brief Series' is a initiative of the Institute started in 2007, to provide an opportunity to the faculty, Ph.D. students and visiting fellows to quickly disseminate the important findings of their research studies before they are published as a research report or in a scientific journal. So far 14 research briefs were published under this series.

Prof. T.V. Sekher and Dr. Manoj Alagarajan are the Editors of IIPS Research Brief Series.

IIPS Working Paper Series

The 'Working Paper Series' is a new initiative started during 2009-10. Its main objective is to

disseminate new research ideas, theoretical development and methodological insights to the national and international community as quickly as possible. The papers published under this series are peer-reviewed by external experts working in the areas of Population, Health and Development. So far, 9 working papers were published.

Prof. T.V. Sekher is the Editor of IIPS working paper series.

XIV. DEMOGRAPHY INDIA JOURNAL

The professional Journal of Indian Association for the Study of Population (IASP) is presently managed at IIPS. Prof. F. Ram is the Chief Editor of the Journal since 2011. This long standing journal publishes peer reviewed articles and book reviews, focusing on demographic and health issues and more specifically on Indian demography. The two issues brought out each year contain about 25 articles, book reviews and presidential address of IASP conferences and Dr. George Simmons memorial lectures. The journal is subscribed by the universities and research centers both in India and abroad, apart from the members of IASP. Prof. T. V. Sekher is the Managing Editor of the Journal.

XV. PLACEMENT CELL

In order to help the graduating students to find suitable job opportunities, a Placement Cell was established at the Institute in 2010. This Cell contacts various organizations / institutes working in the field of population, health, development and

related areas. The Cell also facilitates conducting the campus interviews for organizations interested in recruiting candidates from IIPS.

Dr. Manoj Alagarajan and Dr. Dipti Govil are the coordinator of Placement Cell.

XVI. HOSTEL FACILITY

The Institute has two hostels. All the rooms are self contained, well furnished and having adequate living and working space. There are 24 air conditioned rooms with television with cable facilities and computers with the internet to accommodate international students and guests of the institute. A separate kitchenette is available for the use of international students/ researchers.

There is a hostel mess run on no- loss no- profit basis by a committee consisting of student representatives, hostel staff and hostel warden. A separate hall having computers with internet is provided for students' use. A number of washing machines and LCD televisions are also provided exclusively for students' use in hostels. Indoor and outdoor game facilities and a well equipped gymnasium are also available.

Student Welfare Fund

A student welfare fund (SWF) was created in 2012 to reimburse medical expenses of students. The reimbursements are made on actual and subject to upper limit. During the last 18 months, 16 students were benefitted from the SWF.

Prof. S. K. Mohanty is the Hostel Warden.

XVII. DELEGATIONS AND OTHER VISITORS TO THE INSTITUTE

During the academic year 2013-14, several academicians and eminent persons visited the Institute. The list of the visitors is given in Appendix IX.

XVIII. FACULTY & GROUP-A OFFICERS AT THE INSTITUTE

The names of faculty members and other Group-A officers along with their educational qualifications and designations are given in Appendix X.

XX. ACKNOWLEDGEMENTS

The Ministry of Health and Family Welfare has continued to provide the basic administrative and financial support to the Institute as in the previous years. I express my sincere gratitude to **Shri. Ghulam Nabi Azad**, the Hon'ble Union Minister for Health and Family Welfare, the President, General Council, IIPS for his keen interest in the activities of

the Institute. I am grateful to **Shri. A. H. Khan Chowdhury**, the Hon'ble Minister of state for Health and Family Welfare, Government of India, for his keen interest in IIPS and for the guidance.

I am also grateful to **Shri. Lov Varma**, Secretary to the Government of India, Ministry of Health and Family Welfare and Vice-President, General Council, IIPS and Chairman of the Executive Council, IIPS; and **Shri. Keshav Desiraju**, former Secretary to Government of India, MoHFW and their colleagues for the support to the activities of the Institute.

I also acknowledge with thanks the support of various international funding agencies for supporting several of our research and training activities. I would specially like to mention UNFPA, USAID, WHO, World Bank, Ford Foundation, Centre for Disease Control (CDC, Atlanta), UNICEF, National Institute of Health, USA, Bill and Melinda Gates Foundation, MacArthur Foundation and Packard Foundation.

I am also thankful to all the Members of the General and Executive Council of the Institute as well as to all the Members of the Standing Finance Committee, Academic Council and the Board of Studies and Research, (as listed in Appendices XI, XII, XIII, XIV and XV) for their support and keen interest in the activities of the Institute. I am also thankful to Dr. Umesh Shenoy and Dr. (Mrs.) Rohini Ambekar for providing necessary medical care to our staff and students. Thanks are also due to Shri V. Bhaskaran for providing legal advice to the Institute.

On this occasion, I acknowledge with gratitude, the cooperation and support extended by all the faculty and staff members of the Institute throughout this year. I am sure that the Institute will not only maintain its reputation but will reach new heights as an Institute of excellence and national importance with the dedicated efforts of the faculty and staff and with the support from the Government and academic community.
