2. State of Uttarakhand has informed that the following proposals have been submitted to STA and have been scrutinized by STA, however due to some connectivity issue and emergent travel of STA the same has not been uploaded and locked on OMMAS by the STA. The breakup of the proposal is as under:

Item	Details of proposals		
	Stage-I	Full Stage	Total
Value in Rs Crore	470.60	115.97	587.57
No. of Works	95	22	117
Length in Km	736.84	159.53	896.364
Average cost per km/m	63.87	72.69	65.43

No. of Habitations	1000+: 2	144
	520-900: 12	
	250-499: 130	

***MoRD Share : 527.91 crore State Share: 58.66 crore**

The matter of scrutiny and locking of the proposal by the STA was examined in the Pre-EC meeting and the following observations were made:

- i. The State of Uttarakhand has two STAs (IIT ROorkee and Engineering college Pantnagar). The state has to demarcate / allocate districts to the two STA as has been directed earlier by the Ministry under intimation within a week.
- ii. The present STA, i.e IIT Roorkee, as informed by the Chief Engineer of the state has scrutinized the DPRsin question but not loaded on OMMAS. The state government should ensure that the DPRs are properly scrutinized , uploaded and locked by the STA, by coming Monday i.e 10 th of April 2017.
- iii. Once the DPRs are scrutinized and locked by the STA, NRRDA would generate the list of DPRs and seek physical copies of the DPRs from the state for sample scrutiny.
- iv. **After receipt of above compliance, date of EC would be sought in the second week of May 2017 from the office of Secretary (RD).**

The meeting ended with a vote of thanks to the Chair.
