Ltr.. No: NRRDA- T015(14)/3/2018-Dir(P-I) / 535 dated the 2nd March, 2020

To,

The Chief Executive Officer/Engineers-in-Chief/ Chief Engineers of the States dealing with PMGSY

Sub: eMARG implementation for maintenance monitoring & payments.

Sir,

1. This draws reference to MoRD D.O. No. NRRDA-T015 (14)/3/2018-Dir(P-I)/321-348 dated 05.02.2020 regarding implementation of eMARG in the states. As you have already been made aware that eMARG shall be fully implemented by states by 1st April, 2020 and thereafter all pre 5 year maintenance payments shall be on eMARG platform and only eMARG generated balance sheets shall be accepted by NRIDA.
2. Therefore, States are requested to send to this office a copy of the letter instructing its PIUs to make all maintenance related payments through eMARG portal only w.e.f. 1st April, 2020, along with requisite instructions for implementing eMARG in the state.
3. Further, it has already been advised to strictly follow Standard Bidding Document (SBD) of NRIDA, which supports performance based payments for maintenance of PMGSY roads within 5-year Defect Liability Period (DLP). It had come to notice that states of Arunachal Pradesh, Bihar, Gujarat, Jammu & Kashmir, Maharashtra, Manipur, Meghalaya, Mizoram, Nagaland, Tripura, Uttarakhand and West Bengal have deviated from SBD of NRIDA for maintenance related payments 5-year DLP by adopting item-wise Bill of Quantities (BoQ) model. Therefore, the states were advised to examine the issue and adopt performance based payments as per SOP on eMARG. The states are requested to apprise this office regarding their latest status in this matter.

Yours sincerely,

(Pradeep Agrawal)
