Circular

Subject: Proficiency Test of Junior Engineer (JE), Assistant Engineer (AE) and Executive Engineer (EE) level officials associated with implementation of PMGSY projects in States/ UTs- regarding

In continuation to the earlier circular dated 19th May 2023 on above referred subject, it has now been decided to conduct the proficiency test of all departmental officials, of the level of Junior Engineer (JE), Assistant Engineer (AE) and Executive Engineer (EE) associated with implementation of PMGSY tentatively on **29th July, 2023** at various identified centres in the State / UT.

2. The test would be held in physical mode wherein the candidates have to take the test at the designated test centres. The number of centres in the State would depend upon the number of candidates taking test at the centre. A broad parameter would be that a test centre should have at least 75 candidates taking test in the Hill and Himalayan states and more than 150 candidates at a centre for plain states

3. The test template would be of 60-90 multiple choice questions (MCQs) to be answered in electronic format. The course content has already been shared with the State vide aforementioned circular. The test will be conducted through an identified agency who would inform the process of registration, allocation of centre and generating the admit cards etc. separately.

4. The Chief Engineer of the SRRDA and the SQC shall sensitise all officials of the level of JE, AE and EE about the test schedule and issue necessary directions to ensure participation in the proficiency test.

(Dr. I. K. Pateriya)
Director (Projects-III)

Distribution:

- (i) Chief Engineer of SRRDA, in all States/ UTs dealing with PMGSY
- (ii) State Quality Coordinators (SQC) in all States/ UTs under PMGSY
