File No. P-17025/33/2016-RC

Dated: 14.11.2017

As you are aware the Ministry of Rural Development in consultation with Ministry of Finance had taken a decision to pre-pone the completion of PMGSY targets from March 2022 to March 2019. This decision was also supported by the allocation of adequate financial resources for the States since as per PMGSY the States have the primary responsibility to procure and execute the PMGSY works.

2. In order to achieve the above target, the States are required to submit the Detailed Project Reports (DPRs) in respect of balance unconnected habitations as per Core Network of PMGSY, including LWE habitations (100-249) and to submit to the Ministry on priority. Further, the States are also required to update their habitation master on OMMAS considering habitations already connected under States schemes/incidentally connected.

3. I, therefore, request you to direct the SRRDA to take action for expeditious submission of Detailed Project Reports (DPRs) in respect of balance unconnected habitations under PMGSY to the Ministry after reconciliation of such habitations.

I may also like to inform that considering the timeline set by the Ministry for completion of PMGSY works, all such DPRS should reach the Ministry before 8th December, 2017 so that his Ministry will be able to sanction such proposals by 31st December, 2017 after due process. The above deadlines may be strictly adhered to.

Yours sincerely,

(Alka Upadhyaya)

To Principal Secretaries dealing with PMGSY of all States.
