

D.O. 18023-1-2005-P-III

10th November, 2017

Subject: Compliance of NQM's adverse observations on maintenance upkeep on PMGSY completed projects –regarding

As you are aware, NITI Aayog has set a target that maintenance upkeep of completed PMGSY projects should be such that, not more than 15% of the total completed PMGSY projects, inspected by NQMs from maintenance angle, are graded as "Unsatisfactory" during the year 2017-18.

2. In this regard, Secretary (RD) vide his DO letter dated 25th August, 2017 had *inter-alia* brought this fact to the notice of Chief Secretaries of the selected States, where the "Unsatisfactory" percentage of completed projects were significantly high during the period 2014-17.

3. I am sure the PIU must be ensuring proper maintenance of all completed PMGSY for maintaining the road condition at the defined serviceable condition, during the maintenance period. Close supervision for monitoring the maintenance upkeep at SRRDA level also need to be in place, if not already done. Payments to the contractor during defect liability period should be made incumbent on maintaining the road to the defined serviceable conditions and no adverse observations of NQM, relating to maintenance is pending for the road work.

4. NRRDA is making a provision in OMMAS wherein the SQC of the State would be able to upload the compliance report furnished by the PIU on the adverse comments of NQM, if any, on maintenance aspect of completed PMGSY projects. Till such provision is made in OMMAS, you are requested to update the current status of maintenance ('S' or 'SRI'/'U') on the projects inspected by NQM during 2016-18 (September 2017), from maintenance angle. Enclosed herewith, a list of road works inspected from maintenance angle by NQMs during the period 2016-17 and 2017-18 (Sept. 2017) for your State. Needless to say that the work shall be accepted "Satisfactory" only if the SQC is fully convinced that necessary rectification has been carried out by the PIU and the same is verified by the SQM on ground.

With regards,

Encl: as above

Yours Sincerely,

(Uttam Kumar)

All Chief Engineers in the States of : AR, AS, BR, GJ, H.P, J&K, JH, KR, MH, M.P, OR,PB,RJ, Sikkim, Telagana, TN, U.P,UK &W.B.(2016-18)

All Chief Engineers in the States of: A.P, CG, KN, HR, MG, Manipur, TR (2016-17)

Details of Maintenance works inspected by NQM

Apr-2016 To Mar-2017
