Subject: - PMGSY Information Sign Board-Regarding.

Sir,

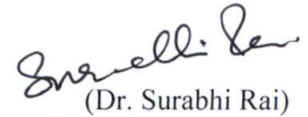

I am directed to say that the Programme Guidelines of PMGSY/RCPLWEA provides that within 15 days of the date of Work Order, signboards along with the Logo of the PMGSY should be erected at the site of road works. The Signboards should indicate the name of the Programme (PMGSY), name of the road, its length, estimated cost, date of commencement and due date of completion of construction and name of the executing contractor.

2. The National Rural Infrastructure Agency (NRIDA) had subsequently vide letter No. II-11013/1/2010-P.III dated 30th March, 2017 issued instructions that besides providing the name of the construction agency; the PMGSY information board should also contain the registered phone of the construction agency.

3. It has now been decided that besides providing the above details, the PMGSY information sign board should also include the name of the Project Implementation Unit (PIU) and their registered number.

4. It is requested that necessary instructions may be issued to all the PIUs for compliance of the above.

Yours faithfully,

(Dr. Surabhi Rai)
