Circular

Sub: Proficiency test of Junior Engineer (JE), Assistant Engineer (AE) and Executive Engineer (EE) level officials associated with implementation of PMGSY projects in States/UTs - regarding

In continuation to the earlier circular dated 19 June 2023 on above referred subject, Director (Projects -III) has intimated all CEs and SQC's of all States/UTs under PMGSY about the proposed proficiency test scheduled on **29 July 2023 Saturday** for all departmental officials, of the level of Junior Engineer (JE), Assistant Engineer (AE) and Executive Engineer (EE) associated with implementation of PMGSY works. The proficiency test will be conducted at the identified test centers.

2. SQC's of the states/UTs will be the nodal officers for the proficiency test for officials of level JE, AE and EE. The test is mandatory for all the officials of level JE, AE and EE who are associated with implementation of PMGSY works (Field and Headquarters).

3. A google sheet has been shared to all the SQC's through WhatsApp group and by e-mail of the respective States/UTs to update the number of Junior Engineer (JE), Assistant Engineer (AE) and Executive Engineer (EE) level officials who have been associated with PMGSY (Field and Headquarters). SQC's should update the list latest by **12 July 2023**.

4. NRIDA has identified the institutions who would be arranging the proficiency test. The procedure for enrolling and generating e-admit cards for the proficiency test shall be notified in due course of time by the institutes who will be conducting the proficiency test.

**(Dr. Ashish Kumar Goel)
