Date: 25th April, 2019

To,

All Principal Secretaries/ Secretaries Incharge of PMGSY

Sir (s),

As you are aware, Ministry has been encouraging the states to use non-conventional construction materials and Green Technologies for construction of PMGSY roads. Keeping in view of this Ministry has sanctioned 60,394 km till date and 31,815 km has been completed till 31st March, 2019 under R&D.

2. Considering the balance length available for completion with States under R&D, Ministry has fixed R&D targets for the year 2019-20. The final target length of R&D for the year 2019-20 statewide is enclosed.

3. It is worth mentioning that out of the already sanctioned projects, change from any one technology to another technology will not be permitted without specific approval of MoRD/ NRRDA

4. States are requested to kindly initiate adequate efforts for conversion of already sanctioned proposals from hot mix to cold mix / waste plastic technology. In order to allow these changes as per para 11.5, states may send the list of roads where such change from already sanctioned hot mix OGPC to waste plastic or cold mix technology is proposed, with comparison of cost of that layer indicating any additional cost if required, the overall saving in that particular batch / phase may also be indicated. Sample rate analysis and rates of already sanctioned and now proposed technology may also be sent on Email to NRRDA.

5. All the PIUs may please be directed to make regular entries of the R&D stretches on OMMAS. You are requested to kindly ensure for achievement of the R&D targets for 2019-20
