D.O. No P-17025/34/2016-RC (FTS No:350567)

May 14, 2018

Dear DK,

As you are aware that the Government has advanced the completion target of New Connectivity of Pradhan Mantri Gram Sadak Yojana (PMGSY) from March, 2022 to March, 2019 and the balance eligible habitations under PMGSY are to be connected within the prescribed time limit. As per the modified funding pattern of PMGSY, 40% of the State Share is to be credited by the State Government in SRRDA's Account by the end of the Financial Year.

2. The present status of release of State Share has been reviewed at the level of the Ministry and it appears that full amount of State Share for the year 2017-18 has still not been credited by your State. You would agree that delay in timely release of State Share would not only adversely impact the implementation of PMGSY but would also effectively reduce the chances of PMGSY's target achievement by the end of the year 2019. In addition, it would also delay Central releases to the State in the current financial year. The Status of Share of your State has been reviewed by the Ministry and the present status is as under:

(Rs. in crore)

Year	Gol Share	Corresponding State Share	State Share released	Balance to be released
2017-18	270.59	180.39	103.55	76.84

3. I request you to personally intervene in the matter and facilitate expeditious credit of State share for the year 2017-18 in SRRDA's account to enable them to effectively implement the programme within the time limit.

With best wishes,

Yours sincerely,

The present status of release of Central and State Share has been reviewed at the level of the Ministry and it appears that full amount of Central share and State Share for the year 2017-18 has still not been credited by your State. You would agree that delay in timely release of funds would not only adversely impact the implementation of PMGSY but would also effectively reduce the chances of PMGSY's target achievement by the end of the year 2019. In addition, it would also delay Central releases to the State in the current financial year. The Status of Central and State Share of your State has been reviewed by the Ministry and the present status is as under:

(Rs. in crore)				
Year	Gol Share	Corresponding State Share	State Share released	Balance to be released
2017-18	889.90	593.27	86.21	507.06

3. I request you to personally intervene in the matter and facilitate expeditious credit of State share as well as Central Share for the year 2017-18 in SRRDAs account to enable them to effectively implement the programme within the time limit.

With best wishes,

Yours sincerely,
