Ref: MoRD D.O. No: NRRDA-T015(14)/3/2018-Dir(P-1) /334 dated 5<sup>th</sup> February, 2020 and this office letter no. NRRDA-T015(14)/3/2018-Dir(P-I)/535 dated 2<sup>nd</sup> March, 2020.

Sir/Madam,

With reference to the letters cited above, this is to bring to your kind attention that as per the guidelines issued by MoRD, it is mandatory for all states to onboard onto eMARG and make all the maintenance related payments of the PMGSY roads falling under Defect Liability Period (DLP) through eMARG only.

In this regard it is to bring to your notice that eMARG software has been developed for payments of roads which are in their DLP and routine maintenance has to be done on them. Works under following categories are not eligible for payment through eMARG and their payment is to be continued manually through OMMAS:

- (i) The construction completion date of package is before 1.04.2014
- (ii) Stage-1 category of roads
- (iii) Long Span Bridges (LSBs)
- (iv) A single road on which more than one contractor is maintaining the road

This is for your information and necessary action.

Yours faithfully,

  
(Pradeep Agrawal)
